My dear Carri

Enclosed is a receipt cutting which will interest you. We mailed something to India's 25th. Anniversary, from either Barbados or St. Kitts. We are spending 4 days here after 11 days at the Reef Hotel on the S.E. coast. It was a pleasant enough Hotel but we only had 3 sunny days. We have been surprised to find so many Indian residents here. Being enterprising and industrious they do well. But, I have a feeling Fijians are not too pleased. One can only hope they do not run into trouble similar to the disgraceful situation existing in Uganda.

We hope you have now fully recovered and can get about without discomfort. Our last to you, must have been a Post Card sent some 7-10 days ago.

Two evenings ago we went to see a Fijian fire-walking ceremony. There were local dancers & then a selected few walked bare-footed on the stone hot stones heated in a fire pit for 7 hours! No apparent ill effects. Uncle M. Navigetta has had scars for his efforts.

We fly across the island to

KEY STOPOVERS IN FIJI CH GRAND PACIFIC HOTEL, SUVA; CATHAY HOTEL, LAUTOKA; TUBAKULA BEACH MOTEL.
SOUTH SEAS PRIVATE HOTEL, WILLIAMSON RD., SUVA; SAWENI BEACH HOTEL.

NADI to-morrow & then on to HONOLULU.

We shall be at c/o MAUI SAND HOTEL,
P.O. Box 118, LAHAINA,
MAUI, HAWAII.

Like Oceania & then last time at Tonga
to become often a memorable trip. For us, our
time with you in Nassau will always remain
very special.

Best regards & love from us both

Cedric & Lyndsay.

P.S.

I had a long telephone conversation
with DAVID(?) for WARBURTON's son
in PALMERSTON NORTH, N.Z. He
sounded a good little lyte.
